

Job Description

Senior Key Worker - Cyrenians Communities

This is a new position

For almost 50 years, Cyrenians (a Scottish Charitable Incorporated Organisation (SCIO), registered charity number SC011052) has served those on the edge; working with the homeless and vulnerable to transform their lives.

Our Vision is an inclusive society in which we all have the opportunities to live valued and fulfilled lives. We work to make that vision a reality through our Mission to support people excluded from family, home, work or community on their life journey.

We aim to offer consistently excellent service across all locations and in all our activities. Our way of working is built on our four core values:

Compassion: We believe that everyone should have the chance to change, no matter how long that might take.

Respect: We believe in tolerance, acceptance, valuing diversity and treating each other as equals.

Integrity: We are committed to the highest quality of work, grounded in honesty, generosity, sincerity and professionalism.

Innovation: We are willing to take risks, challenge convention and be very creative in our search for new ways of working, in particular by taking account of the environmental impact of our decisions.

1 General

Cyrenians has operated two residential communities, which provide accommodation and support to vulnerable people, for a number of years (Cyrenians Farm and City Community).

A new third community house, where this post will be based, also offers support and accommodation to people recovering from a period of poor mental health. The purpose of the Communities is to provide a safe and stable environment for people to live, learn and develop together. Our unique approach to supported accommodation helps people to develop their skills through ongoing support and opportunities for personal development, with the key outcomes being;

- To significantly increase the ability of people to live more independently in the future including reducing and where possible, ending dependency on housing support
- To increase the contribution people want to and can make to wider society through volunteering and, if possible formal work experience and training

- To improve the ability of people to access community resources and networks such as libraries, GPs, social activities etc.

This role involves line management of a small team of Key Worker and Assistant Key Workers. The role will also include covering key work support for residents when required, delivering group work where appropriate, and liaising with other support agencies. Alongside these, you will work to ensure that Cyrenians Community model is adhered to and developed; and that the quality of service remains high. You will also be responsible for overseeing the daily running of the household, including staff rotas, maintenance and household finance.
