ARNOTDALE HOUSE AND CAFÉ SUPPORTING

Cyrenians

At Cyrenians we support the development of strong connections and community resilience which ensures every individual is able to thrive and participate fully in life. This is something we have embraced at Arnotdale House & Café too, through our drive to ensure we source and use local suppliers helping us place the spotlight on quality Scottish produce.

To help highlight the provenance of some of the produce we are delighted to showcase the following suppliers:

FRUIT AND VEGETABLES

Supplied by **Hogans Fine Food in Stenhousemuir** along with utilising our **Cyrenians Farm in Kirknewton** and items from our own Walled Garden

MEAT

Supplied by the award winning butcher, **Patrick's of Camelon**
We also use **Stornoway Black Pudding**

BREAD & ROLLS

Supplied by **Oliphant the Bakers from Falkirk**

SCONES AND CAKE

Our scones are homemade on the premises along with a number of our cakes
We also receive vegan and gluten free supplies from **Nourish at Cyrenians** who are based at our farm and some show piece cakes from **Cakes by Rebecca from Blantyre**
